## Club Meetings' News

If you attended the **Club Meeting on 17th July**, you would have joined your fellows welcoming PP Luciano back from his Canadian holiday. Luciano was proud to present a Rotary Flag from the Niagara Falls Club.

**President Dieter** was delighted to be joined at the Meeting by his **nephew Vanja Resavac**, a Banker from Croatia. Vanja commented on the friendliness of all Australians on his holiday here (as a result he was not fined at the Meeting).

**Next week with your OoZoO email will be a PDF version of the Business Lunch Flyer which you may wish to send to potential attendees. Refer page 5 this issue.**

**Dom's health report is encouraging and he expects to be back for the upcoming Meeting.** He welcomes you accessing our 'new' *NewsPage*. Needless to say there is a link to our Website which is looking fantastic under John Melville. **From August 31 non-members will be accessing their copies from our *NewsPage*.**

Please have a look at it on <http://www.rotarynews.info/Club4223> and add it to your "favourites".

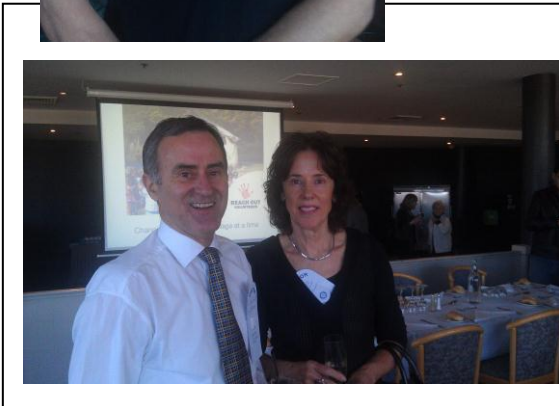

**Tom Jowett** (pictured left) was our guest speaker on 17 July. Tom, from Cremorne, who attended SCEGS Redlands, founded Reach Out in 2010.

Reach Out is an organisation that facilitates the placement of volunteers, usually University Students, into projects in such countries as South Africa, Cambodia, Mozambique and Peru.

The volunteers are self-funding and the average length of their placement is six weeks. Reach Out expects to place 800 volunteers next year.

Their Vision is changing the World One Village at a Time and they concentrate on three areas: Community Development, Wildlife Conservation and Cultural Immersion.

Tom's father Peter (pictured with wife Kaye), a retired lawyer, works for Tom in Reach Out and also spoke about their activities.

**Norwegian Exchange Student Bjorn Hanssen attended his first meeting on 17 July.**

**IMPORTANT:** Charlie is inviting participants and sponsors to raise funds on the City to Surf. Refer to the send-out from The Secretary on July 10.

**Project for the Month.** Please minimise wasted admin time by everyone paying their annual fee of \$200 !

**HAVE YOU BOOKED FOR THE  
VICTORY BALL?  
IF NOT PLEASE SEE PETER IANNAZZO  
or CHARLIE BARNETT**

**Business Lunch - Rotary Club of Mosman**

**August 21, 2012 - Mosman RS Club**

**“Leading a Complex Organisation”**

**Speaker: Dr Briony Scott**

The modern private school is certainly complex with key funding requirements, pressure from parents, demands from staff, students and extreme public scrutiny.

Dr Scott will outline the conflicting interests that come to bear in a complex organisation and will detail how managers and business owners can apply insights from the school arena to business. The presentation will address these major topics.

How to:

- Manage time and priorities against conflicting demands
  - Design a planning process
  - Measure organisational success.

Registration and Pay

Cost: \$25 for Rotary members, \$35 for non-members. Includes a two-course lunch.

Time: 12.30pm for 12.50pm - till 2.00pm on Tuesday, 21 August, 2012

**About Doctor Scott**

Briony Scott commenced as Principal of Wenona in July 2011. She has Masters and Doctorate degrees in Education from the University of Sydney, where her study interests were girls' education; the utilisation of technology in the classroom; and non-government school funding policy. Prior to commencing at Wenona, Dr Scott was Principal of Roseville College. Previously, she helped establish a new secondary school at Oxford Falls. She has also worked as a computer systems analyst for Olivetti. She is currently President of the Association of Heads of Independent Girls' Schools (AHIGS).

The event is sponsored by Bendigo Bank Mosman.

The Rotary Club of Mosman meets each Tuesday for Lunch  
at the Mosman RS Club, Military Road Mosman, 12:30pm for 12:50pm.

**INCOMING!!!!**

Members were delighted to see Charlie bring his much loved jacket out of its presidential retirement year BUT ten minutes later, he had received a record number of cross fines, more to do with his culinary preferences in pursuit of sporting activities!  
Moral: don't keep fit with friends!

**Applicants Sought for Group Study Exchange Team**

We were reminded by Judy Croll in her talk on 3 July that our District will be sending a Group Study Exchange (GSE) team to District 2440 in Turkey in April 2013 with the team being in Gallipoli for Anzac Day. GSE is a long-standing activity funded by the Rotary Foundation. The program provides international travel and accommodation for teams to exchange between paired districts in each country for four weeks. The team of five is led by an experienced Rotarian; the purpose being to enjoy the host country's institutions and way of life, to observe their own vocations as practised abroad, to develop personal and professional relationships and to exchange ideas. Applicants must be between 25 and 40 years of age on the day of departure from Sydney. They must have been fully employed for the past two years, have high ethical standards and have demonstrated leadership in their field of business or employment. Rotarians or their relatives are not eligible to apply.

Members knowing of any potential applicants should communicate with them to ascertain their interest and, if appropriate contact our PP **Philip Perkins** to arrange an initial interview with a view to referral to the District committee. Applications with District close on 30 September.

As a matter of historical interest, Mosman has successfully nominated nine team members and one team leader over the years. The last two were former Rotaractors in Kemuel Lam Paksun who went to Devon in 2002 and Peter Quirk who went to Japan in 2003.

**Zone Meeting at Norths Leagues Club on Wednesday night 25th July, 2012:**

**A Zone of high achievers – “Mosman Rotary is in good company”!**

The City North Zone of District 9680 held its District Governors Meeting at North Sydney Leagues Club, the first time as a combined meeting.

All clubs were represented, as was the only Rotaract Club in the District which meets in Chatswood. Many of Mosman’s members were delighted to attend.

Total Club membership of the Zone stands at around 210, with a very active Rotaract Club adding a further 30, for a group of 240 people.

The achievements are remarkable and it might be a worthwhile exercise to list the best efforts of each club during a year, in a high achievers summary for the Zone.

Each club is different and each club has different strengths but it became very obvious that a great deal of positive community work is generated as a result of the commitment and work by the members.

DG John Dodd gave the greater amount of time over to the Clubs and allowed **our Peter Iannazzo** time for a promotional talk for the **Victory Ball at Victoria Barracks and the Business Lunch** in August.

John focused his address on the need for co-operation between Clubs, and the need for clubs to think outside the square. A visit by individual members to other clubs in the Zone would surely be worthwhile, as all have some remarkable achievements to their credit. We have three luncheon clubs in our zone: Crows Nest *Monday*, Mosman *Tuesday*, North Sydney *Friday*. One breakfast club, North Sydney Sunrise *Tuesday*, and two evening clubs: Neutral Bay *Monday*, Northbridge *Tuesday*.

You are all invited to visit these clubs. Assistant-Governor **Graham Kenny** (our Mosman member) will be only too happy to help.
